About HAGS

— Inspiring all generations

HAGS has been designing, manufacturing, installing and servicing commercial recreational equipment for 70 years. As an integral part of the global leader PlayPower Inc, the business supplies play, sports and fitness, park and urban, marine and shade equipment around the world.

We have operating companies in the UK, Sweden, Germany, France, Spain, Denmark and Poland as well as a global network of authorised distributors in other markets. The administrative HQ for the business is based in Egham, London, with design and development retaining its Swedish roots.

Our goal is to be the leading supplier of recreational equipment and solutions in the market, by having the highest level of quality and value for products and service. Our commitment is to help our customers on their journey to deliver outstanding recreational areas and facilities for their stakeholders and communities.

If you would like to talk to us about a project or need support and advice, please get in touch. A list of our global offices can be found on www.hags.com

Other members of the PlayPower family

HAGS®

Welcome to the HAGS World

Play

Early years/Young people

Our comprehensive range of play products includes everything from solo units to modular play systems that will provide endless fun and excitement for children.

Sports

Multi-Use Games Areas

Our large range of Multi-Use Games Areas are designed for people and teams of all ages wanting to play and enjoy various ball sports.

Fitness

Outdoor fitness

We offer a wide range of fitness units and bundle packages to encourage physical activity for all abilities.

Park & Urban

Inspirational outdoor spaces

Our park and urban furniture range includes high quality furniture, bins, bicycle garages and planters which are great for any outdoor environment.

Marine

Fun on the water

Whether building for a small swimming area or a complex marina, our EZ Dock™ docking system is great for any waterfront and is extremely versatile, flexible and stable.

Shade

Protection from the sun

We have designed and built thousands of structures for a wide range of customers providing solid, durable protection from the sun.

New for 2019!

UniPlay

Our best selling range now has 10 new units and a number of new components providing even more play value and hours of entertainment in your play area. Don't forget, if you are looking for a customised unit, simply speak to one of our experts today.

Netplay

Our spatial structures take children on their next adventure, climbing to new heights, under EN1176 outdoor playground safety standards. Climbing rope nets nurtures bravery, builds balance and strength as well as improving cognitive skills.

HAGS®

World of Play

Our range of play equipment just got better - introducing a range of selected play products from Playworld. Products range from solo items to multi functional pieces of equipment which provide a wide variety of challenges as well as brightening up any play area. Call us today to find out more.

SpinR²

The SpinR² is a classic inclusive whirl with a unique twist. This large spinner encourages cooperation and socialisation as children work together to turn their world into a colourful blur.

Inclusive Play

HAGS have consulted with internationally-renowned experts in accessible and inclusive play to help us develop an inclusive play design guide for our play space designers. Throughout Europe, our designers understand the needs of all generations, and all abilities, allowing them to design play areas where everyone can play together.

HAGS®

Inspiring all generations

Inclusivity means giving everyone the chance to play, whether they have learning disabilities, visual or physical impairments or other conditions, such as epilepsy. This could mean designing for step free access, providing areas of shelter or shade, or even providing spaces for service animals – whatever your needs and constraints, HAGS can work with you to maximise the inclusive value of your play space.

We are fully committed to providing play areas which can be enjoyed by all, which is why creating inclusive equipment is at the heart of HAGS product innovation. Our most popular products for inclusive schemes provide a rich range of physical, sensory, and social play values and our modular multi-play systems, UniPlay and UniMini are a big hit for inclusive spaces, allowing for customisation to fit any space.

You can see a selection of our most popular inclusive products on the following schemes created by our design teams across Europe.

Kingsland Primary School, UK - hags.com/kingsland-school

We thoroughly enjoyed collaborating with this school to design three playgrounds that supports the well-being and development of their students who have a number of learning disabilities. The combination of products chosen, and carefully designed layouts make the children feel safe while providing a stimulating play experience.

Pirate Themed Playground, Spain - hags.com/burgos

The Spanish city of Burgos is known for its efforts in integrating all citizens regardless of their abilities. HAGS was chosen to undertake this project due to our ability and expertise in designing and installing inclusive playgrounds.

Treehouse Themed Playground, Sweden - hags.com/uppsala

This fantastic playground in the city of Uppsala, Sweden, was incredibly popular on the opening event. All the children enjoyed the numerous pieces of inclusive play equipment available, such as the Spinmee Roundabout. The treehouse-themed customised UniPlay, was designed to ensure that it met inclusive and accessibility needs as well as giving a natural look and feel.

HAGS Play Values

Our play values illustrate the benefits our products can provide a child...

Social Skills

The child learns to interact and play with others as well as take responsibility for their actions.

Physical

Physical activity increases intelligence – the more children move as they play, the more receptive they are to knowledge.

Literacy

Play increases the ability to communicate and develop language skills through interaction.

Imagination

During play, the child's mind is free for them to become whoever they wish making playtime fun and exciting.

Sensory

Seeing, touching and feeling during play, all contribute to mental development and also assists in children assessing risk.

Numeracy

Play forms a basis of learning to solve concrete, practical and abstract mathematical problems.

Guide to HAGS symbols

Our products are labelled with symbols showing assembly time, recommended age, inclusive play, vertical drop, required space, etc. See below the symbols used in this brochure.

For detailed information about product options please visit www.hags.com

★ It is expected that children of the same age will develop at different rates and have varying abilities. Therefore, the age recommendation in this brochure is given as a guideline only in order to help specifiers when considering a play space facility. We offer many products with inclusive features to allow users of different abilities to play together and challenge themselves however, we recommend supervision for younger children and those with physical and mental impairments.

HAGS®

UniPlay

Ages 3+

UniPlay is designed to immediately grab the attention and interest of older children - and keep it! with fresh, modern components to delight every child, UniPlay provides healthy exercise and is the perfect way to work off energy. To children it feels like pure excitement and fun!

The UniPlay colour setting, organic shapes and smooth curved lines have a timeless appeal. UniPlay's varied levels of play will challenge children of every ability, offering basic exercise and play, to more challenging activity for the most adventurous kids.

UniPlay

The most customisable modular play system on the market

UniPlay is modular-based play system that has endless combination possibilities. It is a flexible system that allows you to customise your unit according to your specification and budget.

Welcome to a world where your imagination is the only limit...

We have helped customers build bespoke units, ranging from simple colour and component changes to themed multi-tower castles and pirate ships.

UniPlay's modular system allows standard units to be combined to create a larger bespoke unit.

Bespoke formation using 3 standard units

Want to know more about customisation?

Whether you want to combine standard units or go completely bespoke, get in touch and we will help you create the perfect UniPlay for your play area. To learn more about UniPlay, please visit: www.hags.com

Materials for UniPlay

A basic guide

Did you know...many of our standard units are now available in different material types?

The different material types available for UniPlay are shown below.

Steel or Timber Posts

Choose between either bark brown engineered pine with galvanised steel footings for a natural look or powder coated/stainless steel posts for maximum durability.

Timber or HPL Panels

Whether you decide to go for the original timber look or durable HPL panels, both options are available in brown, red or green colours in a slatted design.

Decks in Timber or HPL

Complete the natural look with bark brown timber decks or select the hard wearing HPL option in black with a non-slip surface in square or triangular shapes, depending on the unit you choose.

Zingo

Ages 3+

The Zingo family offers a wealth of play opportunities on small surfaces. Lovely, playful colours invite children to climb, crawl, sit and balance, especially on the unique teardrop shaped Giant Bubble that makes Zingo an exciting attraction.

The Zingo's modern bright colours and use of organic shapes really appeal to the younger users. Promoting social interaction and development as well as providing challenging and physical exercise the Zingo game panels help improve motor and cognitive skills.

Agito

Ages 5+

HAGS Agito inspires young minds to the imaginative play opportunities it represents. The intriguing design and vibrant colours encourages physical active play that helps develop strength and coordination. Agito also gives scope for comfortable socialising with friends in the Origo net.

If you want Agito to really stand out, choose our Agito Aura range. Equipped with coloured LED lights that light up at dusk and create an ambiance during dark hours, increasing the time the equipment can be used. LED lights can be placed in the poles and the pole tops.

Nexus

Ages 7+

Nexus fuses organic forms and a striking, raw architectural style to create structures that will stimulate action and excite any imagination. The look instinctively appeals to children's sense of adventure with challenges to get them moving so they never get bored.

The family of Nexus products offer a variety of shapes and activities. Many can be combined to create a more diverse and expansive play space. With its modern architectural style Nexus invites you to scale new heights as every elevated part is climbable.

NRG

Ages 5+

Just like the name implies, the NRG family invites the sort of play that gives energy. It offers various forms of balance training, using ropes and steadier surfaces.

The trail system was designed to be both eye catching and challenging. It's distinctive steel curved arches and support posts make an impressive centre piece for any play area, attracting children of all ages and abilities. There are numerous individual activity units, all with different challenges. These can be arranged in virtually any configuration to create your own bespoke layout, or you can choose one of our standard configurations to suit all sizes and budgets.

Neos

Electronic

With eight great 45-60 second games you can play alone or in teams, the NEOS Arc keeps kids jumping and darting between the pillars - building strength and stamina as they engage in an unexpected workout.

It also promotes peripheral, auditory and spatial awareness with eight LED lights and cool sound effects. Best of all, it's energy-efficient, using less power when in use than a 100-watt light bulb!

Visit www.hags.com for more details.

Nature Play

Ages 3+

The Natural Play range is composed of trim trail units inspired by nature that can be combined in multiple ways to create bespoke play trails. With their organic shapes and earthy hues, the designs are a low visual impact option and will complement nicely any green space.

The Natural Play system offers non-prescriptive activity options which encourage children to challenge themselves and use their imagination. Running between obstacles also boost their fitness levels. The whole range is made from Robinia and Douglas wood, known for its durability and resistance to harsh weather conditions, decay and vandalism. Its very dense composition makes it ideal for outdoor equipment.

Traditional & Dynamic Play

Ages 1+

We have all the playground favourites that make up a great play facility. Our traditional and dynamic play units help complete a playground and can be combined to complement our entire play range.

Our range includes springers and rockers, seesaws, swings, slides, roundabouts and spinners, sand and water products, cableways, trail play and many other accessories.

Rockers

Ages 1+

HAGS®

Net Play

— Ages 5+

The stylish net play structures are designed to combine mind and body movement to help with development in children. Net play is a great way for children to learn balance and build confidence.

We have various types of rope play and climbing units where the rope and net are key play functions. The products are flexible and available in several versions. They can be used as a feature item or to complement other products in the playground.

Net Play

Outdoor Fitness

— Ages 14+

Exercising is fundamental in helping to improve people's health and well-being. We have a range of equipment that promote and improve cardiovascular training and toning.

Our range covers a number of exercises, making it possible to train various muscle groups. Our outdoor gym stations have been designed to challenge and strengthen specific muscle groups. They help the user build stamina and boost fitness levels.

Gym Stations

Our gym stations are available in 4 different colour options:

-  Yellow
-  Forest Green
-  Anthracite
-  Titanium

Visit www.hags.com for more details.

Bicycle Shelters & Accessories

Our bicycle garages can be ordered in various designs and colour combinations. The metal parts are supplied as standard hot-dip galvanised. The wooden slat screens used in the Stella model are made of pine and treated with tar black linseed oil and top coat. The Capella model screens are hot-dip galvanised square pipe and the Nova has expanded metal screens. In addition to these options, the metal can be painted in any RAL or NCS colours (at additional cost). The slats can also be lacquered or linseed oiled with other colour pigments, such as silver grey or bark brown. Roofs can be coated with plant sedum as an additional option. The flexible modular system enables an infinite number of possible combinations and number of bicycle stands.

Marine - EZ Dock™

Did you know we also provide a marine range? Our range of products are versatile, durable and easy to configure to suit any need - whether it be residential, commercial or a special event.

The marine range has superb buoyancy, functionality and safety, which performs well under high-stress conditions and are suitable for any season. The flexibility of our products gives customers the ability to create a simple swim platform to an elaborate and more complex marina.
